

WOOD VENEER

WHITE OAK RIFT FUMED

ORIGIN

Quercus Alba or *White Oak* is one of the preeminent hardwoods of eastern and central North America. It is very unusual to find an individual specimen with white bark; the usual color is a light gray. White oak is fumed to darken its natural colouring without obscuring the grain

CERTIFICATION

We are FSC (Forest Stewardship Council) certified.

LICENSE
FSC - C103157

CERTIFICATE CODE
SGSNA - COC - 006292
